WE DEVELOP SPEED PERIOD!

Schuman's Speed Center is training athletes like yours to get them faster, quicker and in better condition specific to your sport! The program was developed by Howard Schuman, NJ Hall of Fame Inductee Track and Field Coach and David Schuman, former UCONN Football and Track Athlete and Current Football and Track Coach at Saddle Brook High School. The program is applicable and specific to your sport. All skill, speed and conditioning will be focused 100% on getting athletes ready to play on game day at top speed for the complete game.

Our programs are designed to get your athletes ready for the upcoming season. It is very challenging and is designed to push your athlete's to the upper limit. We test everything applicable to your sport and then train them to get ready for the season. Our program gets results and you will be trained by speed and conditioning specialists who are the best! There are no gimmicks, just results! We will make your athletes faster, quicker, and in better condition for your sport. Our focus is on the complete development which includes speed, quickness, game specific skills, position specific skills, game conditioning, and overall athleticism.
